## RULES

- Bake a Victoria Sponge Cake (2 layers) and bring to venue on the day. When ready, the cake will be handed to an organiser (non-judge) and numbered (names will not be shown).
- The cake can be any Victoria Sponge recipe but it must be a version of a Victoria Sponge.
- Size of cake—I would suggest baking pans of at least 22 cm /9 inch diameter. The cake can definitely be larger but please no tiny cakes.
- If you are entering this event, please accept that Brits members and judges will be tasting and sampling. We will try not to eat them all
- Although there will be official judges for this event Brits members will be able to taste and sample the entries and will take part in the judging process voting anonymously. The judges will take into account the anonymous votes but will have the final say. Bakers will not vote.
- Cakes will be judged on neatness, appearance, creativity, taste, and texture.
- This is a fun event!
- Please purchase a drink/refreshment/lunch as Abbey Road we have supplied venue.
